LIMITED WARRANTY

SHURflo Marine Grade Faucets are guaranteed to be free from material and workmanship defects under normal use and service for a period of (5) five years from the date of manufactured vessel for all indoor applications. The limited warranty will not apply to faucets that were improperly installed, misapplied or incompatible with components not manufactured by SHURflo. Faucet failure due to foreign debris is not covered under the terms of this limited warranty. SHURflo will not warrant any faucet that is physically damaged or altered outside the SHURflo factory. Warranty claims may be resolved by a SHURflo service center. All returns are to be shipped with charges pre-paid. Package all returns carefully. SHURflo will not be responsible for freight damage incurred during shipping to a service center. SHURflo's obligation under this warranty policy is limited to the repair or replacement of the faucet. Faucets found not defective (under the terms of this limited warranty) are subject to charges to be paid by the returnee for the testing and packaging of "tested good" units. Warranty returns will be shipped on a freight allowed basis. SHURflo reserves the right to choose the method of transportation. SHURflo is not responsible nor will it reimburse for labor necessary to remove and reinstall a faucet, if found defective. This warranty is only a representation of the complete Marine Products Limited Warranty outlined by Service Bulletin #1050.
