 AFTERMARKET: 253-220-01

SHURflo's family of Raw Water Strainers are built to keep your bait tank, livewell and washdown pumps protected from harmful debris. The Raw Water Strainer features a clear twist off bowl and removable stainless steel screen, which allows for easy inspection and cleaning. An integral o-ring creates a tight seal, eliminating possible leaks. Keep your pumps and components lasting longer by protecting them with the SHURflo Raw Water Strainer.

**TYPICAL APPLICATIONS**
